

For your peace of mind:

The bed you are about to sleep in has been professionally sanitised to independent Healthy Hotels Certified™ standards. This optimises your night's sleep by helping to neutralise and prevent allergenic triggers so you can enjoy your day feeling rested and refreshed.

If you suffer allergies or asthma, or simply like to maintain a clean and healthy home environment, please visit the website or call the numbers below to learn more.

As a guest of this Healthy Hotel™ you are entitled to a free onsite analysis of any mattress, carpet or upholstered item in your home.
